## How far can your paycheck go?

Complete the Follow up questions below after completing the Budget Page.

1. What areas did you find to be more expensive than you thought?

2. What strategies would you use for saving money and spending money?

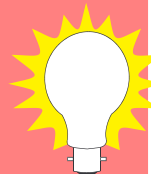

3. Did the occupation you select cover all of your expenses based on the salary listed? If not, what changes would you make in your occupation selection?

4. Using the Career Search at [www.vaview.vt.edu](http://www.vaview.vt.edu), list related occupations for the occupation you selected on the budget page that list higher income levels.

5. Using the career search and the salary section, look up occupations with higher incomes. What variables seem to be common for occupations that have higher incomes?

6. Has any of the information on the budget sheet or the follow up questions changed your plans for educational or occupational choices? If so, why?
